From our Director

Wynand de Wet (Wayne)

Dear OnePlusGod family,

Dear friends, we have crossed the 4th year mark of the ministry on October 4th and our God continues to keep us in His caring Hands! Praise be to the Most High for His loving care and provision!

We have experienced this care especially during the past year when a company called, Mission Trip Airfare didn't provide over a 100 plane tickets we had bought from them! What a nightmare?! Yet, our Father was faithful as He always is and He pulled us through: We found another great and Godly group agency whom we are now working with, rebooked *all* tickets, and managed by God's grace to not only sustain financial stability, but even continue to show incredible growth—let me share some of the growth points with you:

- We are closer than ever to our BBB accreditation, and hope to have fulfilled all requirements by early 2018.
- New data and project management software keeps increasing ministry efficiency…a necessity with already 8 mission trips booked for 2018—4 OnePlusGod trips open to anyone, and 4 Churches using OPG to plan their tailor made trips for them!
- The upgrade of our online trip registrations is finished—now including all our policies and financial schedules/agreements within one, easy and quick registration process.
- We have appointed a great volunteer, Robin Owen to be our financial controller, making the tracking of donations to all the different trips seamless, quick and highly efficient.
- We also showed growth in attendance to our yearly business retreat (Transform 2017), women's event, and had a great crowd at our Fall Banquet.

Be on the lookout as we hope to have quite a few missionaries visiting us this coming year: Pastor Ben and Ong, as well as Patrick and Tip from Thailand, Pastor Annalie from South Africa, and Andy and Debbie Abbott from Papua! Dalton and Katie Williams, who had returned from Thailand, paved the way for 3 interns this year to serve in Thailand with pastor Ben and his team, using English in the elementary schools and colleges to reach the lost for Christ! Let us know if you're interested in this amazing internship opportunity!

Dear OnePlusGod Family—without our God's incredible grace, and without your immense support all of this would not be possible, the ministry would not have sustained the devastating blow we received from the Mission Trip Airfare company, and we would not be able to share some exciting dreams—to our Father be all glory! Let's be ready…let's tell the world…let's bring transformation—Every Believer: Missions Minded, Every Day, Everywhere!

All was, is and will be to the glory of our God!

Wynand de Wet (Wayne)

Our VISION EVERY BELIEVER

MISSIONS MINDED, EVERY DAY, EVERYWHERE

OUR MISSION

Connecting people with the harvest, through missionary driven teaching, retreats and mission trips, igniting a life-long passion for missions.

TEACHING

Except for the normal teaching through devotionals and sessions on retreats, we were excited to have presented the second official 3 day teaching conference in Haiti on Biblical leadership according to the Life of Jesus. We also taught on Christian families, Leadership and an OT overview in Thailand.

RETREATS & EVENTS

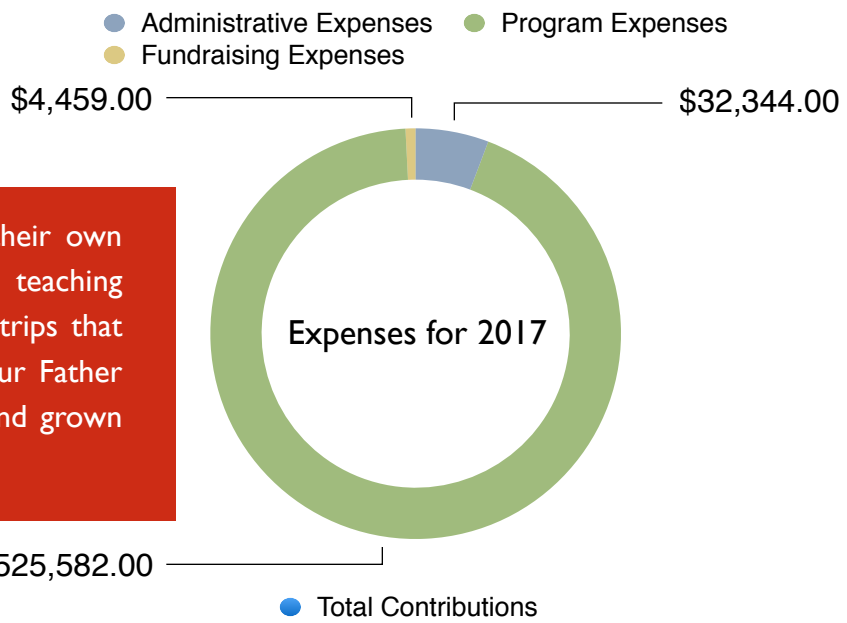
This year we hosted a couples retreat, as well as two conferences—one for women and one for men. We're excited about the second business retreat that we hosted—Transform 2017—challenging business people to seek ways to truly glorify God in their everyday lives, but then also in the way they conduct business.

MISSION TRIPS

This was one busy year all around the globe with 10 trips: 4 to Haiti, 3 to Thailand, and then one trip to each of these countries: Jamaica, Papua and the Karen State. We even managed to fit in a local USA trip to Cleveland with students from Penn State.

FINANCIAL SPOTLIGHT

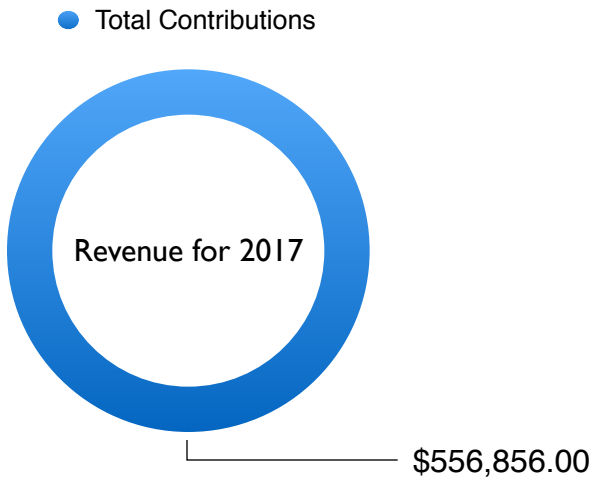
OnePlusGod Ministries' employees raise their own support, enabling the ministry to provide teaching for free, retreats under cost, and mission trips that simply covers cost. We want to praise our Father that this financial strategy had sustained and grown the ministry since October 2013.



Let's take a closer look into 2017

(Based upon IRS Form 990, available online)

- Total revenue: We grew from $365,102 in 2016 to $556,856 in 2017.
- $313,058 went to support our missionaries.
- $207,609 was spent on mission trips.
- $4,915 went to retreats and conferences.
- $32,344 covered admin cost of the ministry.
- $-30,125 is reflected as a negative net asset. This loss is due to a company by the name of MTAF who sold air plane tickets to OnePlusGod without ever providing it. The owners of MTAF now have a federal case of fraud against them.



Some goals for 2018

- Increase the number of people going on mission trips
- Greater exposure and support to missionaries
- Finish the roof of the church building in Haiti
- Setup an internship program between Christian Colleges and the Wisdom Foundation of the church in Bangkok, Thailand
- Strengthen our administration and online reach, specifically through experienced support companies and training
- Donor growth to the ministry
