From our Director

Dear OnePlusGod family,

Dear friends, we ended 2018 with an exciting 5 year celebration, giving God all the glory for His blessing on the ministry since day one! Let me share some of these blessings from 2018 with you:

- Received our BBB accreditation!
- Trips: Teams went to Thailand and the Karen State (Myanmar), South Africa, Jamaica, and 5 times to Haiti
- Invested in LIFT Kids Haiti by buying a school bus and filling it with over 5,700 pounds of donations and shipping it to Haiti; Hosted a benefit worship night to raise money for the church roof, then going on an additional trip to pour the roof!
- Raised money for our missionaries in 8 countries
- Hosted 2 missionaries during their furlough and support raising
- Grew our college ministry by offering scholarships to students going on the Thailand trip
- Organized our biggest Couple's retreat yet
- Funded 19 Special Projects including: Support of new missionaries, medical treatments of missionaries or their families, supported the New Testament to be printed for the first time ever in the Moskona language, helped the funding of a well in Haiti, and more!
- Moved by God's incredible grace into a new office, donated by a wonderful Christian business owner, and added 2 new staff members!
- Released phase one of our App (only available for Apple devices so far. Search "OnePlusGod" in the App Store).

Be on the lookout as we hope to have quite a few missionaries visiting us this coming year: Jennie from Thailand, Pastor Annalie from South Africa, and hopefully even a new addition, pastor Elijah Wafula from Kenya! Let us know if you enjoy hosting missionaries!

Dear OnePlusGod Family—without our God's incredible grace, and without your immense support all of this would not be possible! We are truly becoming more and more like a family and together we are better! The partnerships that are constantly forming amongst donors, teams going on trips, people joining the retreats, our missionary partners and their teams...it is incredibly powerful! To our Father be all glory! Let's GO by God's grace and live with a sense of urgency and intentionality till *Every Believer is living Missions Minded, Every Day, Everywhere!*

Pray with us, without ceasing, as being on our knees before our God is the Foundation of this ministry!

May God hear our prayers, and show us mercy,

Wynand de Wet (Wayne)

Our VISION EVERY BELIEVER

MISSIONS MINDED, EVERY DAY, EVERYWHERE

OUR MISSION

Connecting people with the harvest, through missionary driven teaching, retreats and mission trips, igniting a life-long passion for missions.

TEACHING

Except for the normal teaching through devotions and sessions on retreats, we also started to do some recordings of devotionals and teachings. Teaching this year was done in South Africa, Thailand, Haiti, as well as to the young Karen leaders of Myanmar and the youth of Jamaica.

RETREATS & EVENTS

We were very blessed to see some significant growth in retreats and mission events this year. Highlights were definitely the worship night during which we raised enough funds for the roof of the new church in Haiti, as well as our first weekend long couples retreat in Amish Country.

MISSION TRIPS

This was the first year that we were able to add scholarships to one of our trips—young adults between the ages of 16 and 30 can now receive scholarship benefits when joining our College Trip to Thailand! We also appointed a young staff person to continue building strong relationships for college internships between Thailand and the USA.

FINANCIAL SPOTLIGHT

OnePlusGod Ministries' employees raise their own support, enabling the ministry to provide teaching for free, retreats under cost, and mission trips that simply covers cost. We want to praise our Father that this financial strategy had sustained and grown the ministry since October 2013.

Let's take a closer look into 2018

(Based upon IRS Form 990, available online)

- Total revenue: We grew from \$556,856 in 2017 to \$651,159 in 2018.
- \$320,691 in support went to our missionaries.
- \$186,661 was spent on mission trips.
- \$2,700 went to retreats and conferences.
- \$33,598 kept our staff and admin going.

LOOKING FORWARD

Some goals for 2019

- Grow in funding of our missionaries, staff, and projects
- Grow our Go project on Amazon (search OnePlusGod at smile.amazon.com to see our awesome merchandise)
- Initiate internships between American colleges and RBAC University in Thailand
- Build at least 6 classrooms for the building in Haiti and operational schools and church in the Karen State
- Add new retreats in more areas
